

**MASTERS IN  
MOVING FLOOR  
TRAILERS**  
KRAKERTRAILERS.EU

Kraker Trailers is Europe's leading manufacturer of moving floor trailers, and D-TEC sells and rents out slurry tank trailers and container trailers. The companies work independently from each other, but are joining forces for the UK market.

## **KRAKER TRAILERS AND D-TEC ARE LOOKING TO RECRUIT AN EXPERIENCED SALES PERSON FOR THE SALE OF VARIOUS TYPES OF TRAILERS**

**We are looking to recruit an experienced sales person who, with his or her extensive network and up-to-date knowledge of the transport sector, can sell Kraker Trailers and D-TEC transport devices on the English market. A good after sales department and an extensive web of service partners will support you in your position.**

### **Your profile can be summarised as follows:**

- you have completed a technical education programme (HVE) or have acquired this level of education through experience
- you have experience in selling transport devices in a similar position

- you know where your opportunities are and seize them with both hands
- you have a communicative attitude and report in a clear and unequivocal way
- you are able to get to the point fast and can provide customised advice to the client. This makes you an efficient discussion partner for your clients

### **Kraker Trailers and D-TEC are offering the following:**

- you are given the opportunity to work the UK market independently and partly to your own discretion, in your full-time position
- the employment conditions are excellent

You are prepared to travel to both companies' head offices in the Netherlands, on a regular basis, for meetings and events.

### **Interested?**

If you are interested in this challenging position, you can forward your motivated cover letter with your CV and possible references to:
